LCS16 Series

Important: Read all instructions prior to installation.

LED Canopy Light

LCS16-50K150

Safety and Notes

- Product should be installed by a certified electrician in accordance with applicable national, state, and local building and electrical codes.
- To reduce the risk of electric shock, ensure that main power source and circuit breakers are switched off before performing any installation or wiring procedures.
- Avoid looking directly into lamp when illuminated.
- Ensure all mounts are securely attached and will support weight of the fixture. Failure to properly support the fixture may result in damage or injury, for which the manufacturer does not assume responsibility.

Specifications

Series	LCS16
Operating Temperature	-40°–104° F (-40°–40° C)
IP Rating	IP65

Check product label for specific electrical specifications related to installation. Improper installation will void warranty.

Wiring Diagram
